19 **Interlude**

23

The providence of God in air, earth, and sea.

2 Thy morning light and ev'ning shade
 Successive comforts bring;
 Thy plenteous fruits make harvest glad,
 Thy flowers adorn the spring.

3 Seasons and times, and moons and hours,
 Heav'n, earth, and air, are thine;
 When clouds distil in fruitful show'rs,
 The Author is divine.

4 Those wand'ring cisterns in the sky,
 Borne by the winds around,
 With wat'ry treasures well supply
 The furrows of the ground.

5 The thirsty ridges drink their fill,
 And ranks of corn appear;
 The ways abound with blessings still,
 Thy goodness crowns the year.
